## PRODOTTI O MACCHINARI

Yorglas®, is a subsidiary company of Cam Merkezi, produces satin and decorative acid etched glass products without compromising quality and by adding value to the industry since 1989.

We have efficiently improved our techniques of acid finishing from tinted glass to mirror, from low iron glass to painted glass along with the years.

You can find the biggest assortment within our acid etched glass from scratch resistant anti-slip flooring glass to non-glare glass for marker boards. Our acid etched glass is used in many areas such as; interior decoration, glass stair treads, digital signage, shower screens, solar panels, cabinets, wardrobes, balustrades, office partitions and doors.

We always try to offer the best solution for the end user and processor with fingerprint free and 100% etched sheets among the other products such as sandblasted glass and patterned glass or laminated translucent glass where you need privacy and light.

Starting from October '18 will be producing at our new mega factory. We will also add Jumbo size Acid Etched glass to our assortment.
