PRODOTTI O MACCHINARI

Our range encompasses Furnace View Glass, Light Glass, Sight Glass and Protector Glass. Catering to the demands of our clients, we also offer them with Safety Glass / Shatter Proof Glass, Gauge Glass and Toughened Glass. Our products are manufactured using quality glassware such as corning glass, which we procure from our rich and reputed vendor base.

The products we offer are acknowledged for features such as durability, reliability, availability in different sizes & shapes and capable to withstand extreme temperature. We are facilitated with a sophisticated infrastructure, equipped with advanced machines and equipment. To assure quality, our quality material is procured from renowned vendors, which includes St. Gobain and Gujarat Guardian (ModiGuard). Besides, we have our horizontal toughening plant, which helps to manufacture Glasses as per the demands of our valued clients. We also undertake tempering process at temperature of 680 degree to 700 degree centigrade under strict quality process. This helps to maintain uniformity and strength of the glasses. Moreover, with the help of our efficient workforce and wide transportation network, we are able to cater both in the domestic and international market.
