PRODOTTI O MACCHINARI

After 3 years of extensive, in depth research & testing at a leading university, the **Deco Glaze Colour Coat** is a specially formulated polyurethane that guarantees adhesion. It is applied by spray to all glass types including: annealed, toughened, heat strengthened; laminated; bent; slumped and can achieve a variety of finishes these include opaque, translucent and metallic.

STORIA

The DECO GLAZE Colour Coat is a safe, permanent & efficient means of producing high quality decorative glass products such as splashbacks and worktops for kitchens, shower screens and wallpanelling for bathrooms.

It has many commercial applications and offers unique architectural glass solutions for shopfitting, hotels and any public setting.

All glass types can be coated to enhance the natural luminance, bringing life to the area where it is used with a wonderful feeling of depth, space and light. The Colour Coat is a specially modified polyurethane that guarantees adhesion. It is applied by spray to achieve a variety of finishes, these include opaque and metallic.
