PRODOTTI O MACCHINARI

Transport and logistics services for the flat glass industry.

Logiglass is an environmental friendly solution for more efficient transportation of small sized unpacked glass. This trailer is fully designed to load, unload and transport unpacked glass, self supported by its own onboard crane.

Unique Selling Points

- Unpacked glass distribution
- Float glass up to 4.5m
- Crane inside trailer
- Self supported (un)loading
- No glass packaging/stillage(s)
- Patented concept

STORIA

Van Huët Glass Logistics are specialists in the field of glass logistics in Europe and hold a leading position in this market. Belonging to the ever-growing Emons Group, they concentrate on the specialized logistical services in the market segments Glass logistics, Chemical Warehousing, Recycling Logistics en Double Deck transport.

Jan Van Huët Transport joined the Emons Group in 1990 and became specialists in Glass Logistics. Following autonomous growth and acquisitions, the company has since become Van Huët Europe with five branches across Europe. Van Huët Europe maintains a structure of decentralized flexibly operating divisions, which, supported by far-reaching automation (ICT), provide logistical services for the glass industry.
