Hinge swings: 90 in and 90 out
Self-closing function approximately from 25 degree
Glass cut-out required

Sliding Door Gears,

Suitable for 10-12mm thick glass
Gentle, easy action and no glass preparation

Movable Glass Partition Systems

ESTRON Sliding and Stacking System, the individual (single) panel sliding-stacking system provides the ultimate in versatility and flexibility. This is a storefront and entrance system that can easily and efficiently slides completely out of sight when desired. It's unique features are heavy duty overhead track carrying semi-frame glass door panels up to 4.0m height, innovative dual nylon wheels for each for each carriage for better weight distribution and stability-hence eliminating undue sways and reducing track/wheel friction on travelling.
