PRODOTTI O MACCHINARI

With a focus on the safety of all employees, contractors, visitors and ultimately, consumers, we strive for compliance across all relevant manufacturing standard specifications, and undergo regular audits to ensure these standards are maintained. These include, but are not limited to: ISO 14001: 2004, ISO 9001: 2008, FSSC 22000: 2010, Sans 1840 as well as a recommendation for OHSAS 18001:2007.

Consol's participation in the South African beverage industry is focussed around domestic beer, wine and spirit sales and very recently large growth in export wine and domestic Flavoured Alcoholic Beverages. Non alcoholic beverages in glass have in recent years seen an increasing trend toward pack differentiation with Consol producing products for the carbonated soft drinks, fruit juice and the mineral water industries.

A wide range of value-enhancement services affords the opportunity for additional decorative enhancements and creativity, enabling us to execute design innovations that are relevant, marketable and functional, thereby enhancing our customers' product features and benefits while supporting their brand's positioning. Some of these offerings include, but are not limited to, married runs, push ups, long necks, embossing (internal and external), debossing, lightweighting, black glass and Vortex .
