PRODOTTI O MACCHINARI

With glass industry challenges and trends such as energy efficiency, "green" design, dust containment (silica requirements), quality, and accurate raw material weighing/handling, you need a company that you can count on to deliver modern, effective solutions. Optimization is that company.

Optimization's brand, Klug Systems, has been steeped in the glass industry for over half a century. With international experience, and as a preferred supplier to Fortune 100 companies, Optimization recognizes the need to meet the requirements of your overall organization and achieve solutions that provide results for your management, engineering, quality, maintenance, safety and production staff.

Klug Systems by Optimization carries on its long-standing tradition of supplying core services to glass manufacturers for batch and material handling. With a base of over half a century of experience, the team delivers superior structural, mechanical, electrical, and controls solutions, offering turnkey projects for your batch plant. Our turnkey batch experience spans the United States and the world; we team with local service suppliers to most efficiently meet your region's code and standards.
